<p>Literacy I enjoy reading, writing and speaking</p> 	Write a report about the benefits of eating a lot of fruit and vegetables.	Write a story with you as the main character.	Design the perfect menu for a growing child.	Write a set of instructions for how to stay clean.	Create a poem about you.	Write a letter to Chef telling him your ideas for a healthy meal.
<p>Maths I enjoy working with numbers and sequences</p> 	If there are 18 forks and 18 knives, how many pieces of cutlery are there altogether?	If 10 children are sitting in a classroom, how many fingers are in the classroom?	How much would it cost to buy 5 fruits of your choice for a fruit salad? Look up some prices online.	Find out where bananas, oranges and strawberries are grown.	Plan a healthy meal for you and your family and work out how much it costs.	Work out how much sugar is in 3 of your favourite drinks and compare them.
<p>Creative I enjoy painting, drawing, hands on activities, dance, making and listening to music</p>	Create a model of your favourite dinner.	Sketch paint or collage a portrait of yourself.	Draw and describe your perfect lunchbox!	Create and perform your very own body song.	Design and record your own workout video. Are you the next Joe Wicks?	Research a job that interests you. e.g. postman. What are their duties? What skills and personal characteristics will they need?
<p>With my family I enjoy working with others</p> 	Make a healthy lunch/dinner for you and your family.	Do 30 minutes exercise with someone from your family. Write a newspaper report about what you did.	Find the difference between the healthiest and least healthy sandwich you can buy at your local shop.	Create a poster to encourage children to eat fruit and vegetables.	Find out how many times your heart beats in 1 minute before and after exercise.	Take a survey to discover the most popular fruit in your family. Can you create a bar chart using your results?
<p>On my own I enjoy working by myself</p> 	Design and label a new healthy drink or snack.	Would you rather be an animal or a human? Why?	Create a fact file about humans.	Find out what each of our senses do.	Ask relatives about your family and create a family tree or picture of them.	Write a report to tell an alien all about you!

Please choose one task from the above chart each week to complete and hand in to your class teacher each **Friday**. You can choose a different one to do each week over the next half term. Please tick off the activity you have completed. We can't wait to see what you decide to do! 😊
