Callum-John Hughes

Kaci Knight

Luke Beech

Keelan Kesterton

Mercy Webb

Evie Dempsey

Tameira Hanson

Jack Loveday

Leo Tindale

Chelsea Robertson

Megan Flynn

Felicty Hinton

## Happier Parenting Course

A new course starts on 2nd November 2016. It last for 7 weeks and is a brilliant programme sharing ideas and using scenarios to promote positive behaviour. See leaflet for further information

Mrs Franklin and children delivered some of our harvest produce to local care homes and to our local food bank. They were very grateful for your thoughtfulness and wanted to say thank you to you

## Reclaim sports

The Reclaim sports launched has now been delayed by a week and will take place at Hillstone school on **Monday 17th October**. BBC WM will be broadcasting live from 7am and I hope you will arrive bringing unwanted sports equipment which can be donated using the large cages which will be placed just inside the community room. This equipment will be recycled and given to clubs, schools and individuals in the community. From 2—4pm, the Sunny and Shay show will be broadcast from our school. I'm looking forward to coach getting them involved in some PE lessons.

This project will provide sports equipment to local Birmingham communities, teach children the value of recycling, and encourage more sports. The school which collects the most equipment will get a visit from a famous sports personality.

**Reminder: School will be closed for teacher training on Friday 21st October**

Thank you everyone who has raised money for the school through the sponsored event. We would like all the money in by October 21st if possible. We are dying to spend it on some great outdoor maths and science resources.

## Parents' Evening

Thank you for attending parents evening. We had a terrific turn-out of over 90%. It is so important that parents and teachers get this chance to meet so that we can feedback on a child's strengths and successes and point out what the next steps are and how you can help your child make maximum progress.

Reception Open Day

The online application for reception classes 2017 is now open . <https://www.birmingham.gov.uk/primaryschool>. It stays open until 16th January 2017. We are having an open day on Wednesday 19th October when you can see what Hillstone has to offer. There will be three sessions at 10 a., 2pm, and 5pm . There will also be a chance for you to fill in your online application form on that day. I would urge everyone to ensure that you have completed the form on time.

Cooking with Hillstone

Thank you to all the parents who joined us for the VIP lunch to launch our cooking with Hillstone. Laim Byrne MP and Councillors Cotton and Bridle were overwhelmed with our quality waiters and our Year 6 journalist who interviewed the politicians about the views of a wide range of issues including the sugar tax.

The idea behind "Cooking with Hillstone" is knowing what busy lives we all live, Chef has created 10 simple delicious recipes that can be made in 15 minutes. If you order a cooking box on Friday evening you can take home the recipe cards and fresh ingredients to make 5 meals for a family of four in the forthcoming week. This for a cost of just £22.50. Why not give a try. I know chef would appreciate feedback—what did you particularly like, what would you like to see in the box. The politicians thought the idea was unique and brilliant. Let's help it to take off.
