### China Installation

Thank you to everyone who has donated items for our China project. Year 5's are having a wonderful time working with our artist in order to create the Chinese temple in the upper juniors corridor.

### SNAG

The next School Nutrition Action Group will be on Wednesday 25th January at 12.30pm. Do come along and join the conversation

### Cooking with Hillstone

The cooking with Hillstone is continuing to grow. My own children and their families keep nagging me to order them a food box as it is such good value for money and the recipes are delicious and easy to follow. Chef has just come up with some new menus for us to try. We have had to put the price up to £25 so that we do not make a loss but this still represents great value for money. Serving a family of 4 with five meals. We have considered how difficult it is to get the boxes home as they are very heavy, so we have invested in heavy recyclable jute bags. We do need these to be brought back in order to keep costs down. Order by Friday if you would like a box for the following Monday.

Thank you also to all the volunteers who have come in to help us. We will have a grand opening on Friday 20th January.

### TAPESTRY

If you have children in Kindergarten, Nursery or Reception. I hope you are enjoying viewing your child's learning on the tapestry system. It's a great way to learn about what they have been doing at school all day and can give you ideas how to carry on that learning at home. If your child does something at home that you would like to share with us, please take a picture and post it on Tapestry. It is really helpful to follow their interests as well as being very accurate with assessments.

### Entrance Area

Walls repainted in:

- Foyer: Scarlet
- Upper Landing/ Toilet wall: Bright pink
- Doorway/ Upper Study Area: Jade

Black border in self-adhesive auto-tape, running round painted walls of whole installation.
