Reclaim sports

We had an exciting day last Monday when Midlands Today and BBCWM came to visit us for the launch of Reclaim Sport: Kit Collection. They bought their BBC Personality of the Year award with them. Coach had the two presenters taking part in a dodge ball game. The cages for kit collection will be here until the end of November if you would like to donate anything. The school who collects the most gets a visit from a sports personality. Thank you to everyone who has already donated.

Happier Parenting Course

A new course starts on 2nd November 2016. It lasts for 7 weeks and is a brilliant programme sharing ideas and using scenarios to promote positive behaviour.

Sports

We continue to have great success. Well done especially to our basketball team who won every game in a school games competition. A special mention must

be given to Millan Fryer for his attitude and following coach's advice which helped us to victory.

Read coach's blog on :

The Big Draw

We are thrilled to be part of an art work that will be displayed at the Ikon Gallery. Oliver Beer is producing an reanimation by children of a

scene from the jungle book "I wanna be like you". As part of the Big Draw all the children in our school , got to create a small frame for the final piece. Here is 1T and their frames.

Halloween Disco

Infants 4.30—5.30 pm

£1 per ticket

Juniors 6.00—7.30pm

Birmingham City ticket scheme

Go to our web site for latest discount code for the ticket scheme.

Cooking with Hillstone

We are delighted to have doubled the take-up of our cooking with Hillstone boxes in our second week. If you would like to order a box after half term, please get your order in to the office by Friday 4th November. The recipes and ingredients provided will enable you to cook; shepherds pie, chicken pie, sausage casserole., chicken burrito and meat balls. All for £22. Why not tweet us a picture of your family enjoying the delicious meals. Here are the Sandford family enjoying the homemade pizza and wedges from week 1 menu.

Good luck to chef who is entered for 4 competitions .

- School Chef of the year
- Best Menu
- Working with community
- Customer Service.

E safety workshop

Thank you to all the year 5 parents who attended the e safety workshop. We deliberately target year 5 as that is when the children get their I pads. We want to help parents understand the dangers associated with social media and how they can keep their child safe. However, it is pertinent for children of all ages as there is so much availability these days to the internet via smart phones and I pads. If you would like help and advice please see Angela Fothergill, our IT coordinator or Chris Carter, our strategic technician . If there is enough demand we are quite happy to put further workshops on for all ages.

Bonfire and Firework

Night

Friday 4th November

6pm onwards

£3.00 per ticket

Reception Open Day

The online application for reception classes 2017 is now open . <https://www.birmingham.gov.uk/primaryschool>. It stays open until 16th January 2017. Our reception Open day took place today , **Wednesday 19th October** . There is one more session at 5pm if you would like to visit. I would urge everyone to ensure that you have completed the form on time. We had a huge waiting list this year and unfortunately many parents were disappointed.
