Great day in London for our year 5's. They visited the Houses of Parliament as part of their democracy topic.

### Sports

We are thrilled to announce because of the high level of sport that we offer at Hillstone we have been awarded a Gold Sportsmark. This is an achievement for all of us; for all the children who strive to achieve their best, to the children who trained hard and represented the school with such a great attitude, the parents who supported them and turned up to watch them, all the teaching staff who have helped coach them, the minibus drivers who have got us to competitions and to Alice King and Rob Flint who have led us so well on this journey.

### Role model for children

We all want our school to continually improve so that the education that we offer the children is truly outstanding. One of the ways in which you can help is to join with us in trying to provide good role models for the children. I have been horrified as we have started back this term at bad language used by adults in the playground in front of children. Sometimes it has been used in an angry dispute, sometimes even directed at children and it has also been used in ordinary conversation. The English language has such a rich diversity we are never going to help our children become articulate adults able to express themselves well if they hear a regular diet of obscenities. It is not acceptable to swear on our school site and adults will be asked to modify their language. If we have severe and repeated instances then adults could find themselves in a position of not being allowed on site.

### World Peace Day <http://>

Wednesday 21st September is World Peace Day. I will be talking to the children about it in assembly. You might want to find out more at:

### Pump Community Survey

Thank you to those who completed a paper copy of the survey last term. There is an online survey if you would still like to give your views.

### Dining at Hillstone

We are very excited about two super new initiatives that will happen at Hillstone. The Fast Food festival is being launched on the 7th October. It will show how fast food can be equally Nutritional and delicious. Chef will be sharing ideas of how to make some delicious quick meals. We have invited guests such as our local councillors, and Liam Byrne MP coming. We can also offer places to come to lunch to the first 50 parents who apply. Cost will be normal school meal price. Look out also for Cooking with Hillstone. Chef has produced menu cards which show you how to make delicious tasty meals. We will then sell these plus all the ingredients for a week's meal in a Cooking with Hillstone box. Chef can get quality meat and other ingredients at cost price. So you could feed a family of four for £22 for five meals. In order to promote these two initiatives, you'll find Chef and Lillian on the infant playground on Tuesday and the junior playground on Thursday morning giving out free breakfasts to parents of porridge and bagels. It will be your chance to ask them about these two new exciting ideas or indeed any aspect of food at Hillstone.
