Cooking with Hillstone:

New parents may not be aware of our fabulous 'Cooking with Hillstone' service. You can purchase a cooking bag which contains all the fresh ingredients and recipes for 5 meals to feed a family of 4. Chef can reduce or enlarge numbers as you wish. The cost of a family bag for 4 is £25 per week. They are absolutely delicious recipes and it's a great way to involve children in cooking and getting them trying healthier options.

Clubs: We are very proud of the number of clubs we can offer our children. Sometimes they are bought in by providers and sometimes our teachers and teaching assistant give up their time to run a club at some point during the year. Please encourage your children to stick at a club rather than give up mid way through a course.

I am trying to encourage good manners at all times, so if for any reason they can not attend a club they should go to the teacher and explain in advance. If they have been ill, they should find the teacher and apologise upon their return to school.

Our Steel Drum Club has started on Tuesday lunchtimes. Speak to Reception if you are interested in joining.

Thank you to Choir, Mr Farr and Josh for their performance at the Yorkswood community Day.

Communication: We are trying to improve communication with parents. We are considering e mailing newsletter out to you in future and then putting them on the web site. This will save a considerably amount of money and be better for the environment. I do want to people to still read them though as there are important notices as well as celebratory items that I publish. Please let me know what you think of this idea or if this would be a problem for you.

Do use the Hillstone web site and follow us on twitter to keep up to date.
