Children in Need

Congratulations! You raised a magnificent £805 for children in need. The winners of the bake off competition were:

Summer and Hayden Litchfield-1st Place

Isla McGovern-2nd Place

Charlie Doyle - 3rd Place

Coach will be having his beard pink glittered tomorrow morning in assembly.

Flu Immunisation

We have had a fantastic response this year and most children in years 1, 2, and 3 have had their flu vaccination

Consideration to our neighbours

Please be considerate to the people who live on Hillstone Road. You should not park in front of someone's drive however short of time you may be as you could block someone in. Please also do not use their drive to turn in. There is no need to turn in someone's drive—just follow the road round to bring you out at the junction of Pithall Road and Kendrick Avenue.

Snow Days

In the event of snowy weather I will do my utmost to keep the school open. Children have such fun in school on snow days whilst still able to carry on with their learning and it avoids working parents having to take time off. Although announcements are made on the radio I would suggest going to the web site in the first instance where we will post our decision to stay open or inform you if we do have to close.

What an absolute fantastic attendance figure. Well done everyone!

I hope Ladders at home is helpful for you to follow your child's learning. If you need help don't hesitate to come in and talk to us about it.
