If it is vital that you inform us before 10am if you wish your child to swap from dinner to packed lunch or vice versa. We cannot take notifications from children. If we have not heard from parent or carer by this time the child will have to have the arrangement that has been pre booked.

Go to the you tube site on the Hillstone web site to see a super news report made by our year 6 pupils about the day the politicians came to lunch. <https://www.youtube.com/watch?v=JTagymOcW10>

please help us  
find the  
Gingerbread man.  
He has lost a  
button.

### Can you help Reception Class?

Reception were recently making Gingerbread men when one of the gingerbread men escaped causing havoc around the school. Reception children are on the hunt for him and Tyler has created the above wanted poster. He was last seen running down the corridor shouting "run run as fast as you can—you can't catch me I'm the gingerbread man".

## Kung Hei Fat Choi

Our fortnight long art project creating the China installation has come to an end. Thank you to the following parents who helped: Bev Monkman, Linda Harris, Michelle Day, Kelly Williams, Michelle Lordan, Regan Ward, Rebecca Cooks, Elizabeth Hanson, Victoria Finch, Shelly Holwell, Mark Finch, Heather Holdsworth and Shelly Coulton. We celebrated the finish with a Chinese themed lunch and a grand opening. Not only is the finished product amazing but the process that the children went through to create it was truly inspiring. There are Chinese New Year Celebrations at the Birmingham Arcadian this Saturday from 11–4pm. This is always a enjoyable and colourful event to attend.

### Parking

Like many schools parking at home time can be a thorny issue. Our most important reason for addressing this is in order to provide the safety environment for our children. But it is also about being a considerate citizen. Signs clearly state that cars should not park on the grass verges and no one should feel it is ok to block someone else drive way however short the time. Mr Morton, our new site manager has been out regularly and although most people have been thoughtful and reflective about this issue , there are still a few who disregard pupil safety and consideration of local residents. Ideally, if you can walk . This provides a healthy option for your child. If you need to drive, do not park on the grass verges , always park on the school side of the road. (This can also help avoid problems with coaches and buses trying to squeeze through). You may need to park further away but I really think the benefits in terms of safety and community relations outweigh that inconvenience.

### Nativity

Birmingham Rep are on the look out for children aged between 9-11 by 1/9/17 who are confident singers, dancers and performers to star in the forthcoming production of Nativity! The musical. If you are interested in your child auditioning, upload a 1 minute You Tube clip of them showcasing their talents. Get your child to introduce themselves, stating name, age and where they are from at the start of the video. When clip is uploaded, complete online application form at <http://bit.ly/2h9yP5G> and include a link to the video . Closing date is Sunday 5th February 2017.

### Places of Worship

This term as part of our programme of taking children to visit different places of worship , our year 3 children will be visiting a Buddhist Vihara .These visits are so important as they help our children to learn tolerance and respect for different faiths and beliefs, recognising Britain as a diverse and multi – cultural society.
