Every session of every day, there will be new learning that takes place for our children which is why attendance is so crucial. They cannot help it if they are poorly and we will try our best to help them catch up, but please do not take them out of school for holidays which could happen in the 13 weeks of school holidays that children are given. Punctuality is also important as learning starts promptly at quarter to nine each day.

Sports

Many congratulations to our boys and our girls cross-country teams, who are now the East Birmingham cross-country champions! As well as winning team golds, individual medals were awarded to Laurie Kiboko and Adnaan Hadi for individual winners of the season and Harry Ward took second place in this category - phenomenal achievement. We had a busy night as our handball team also won first place in our sports partnership. They will now play in the all Birmingham final.
