Remembrance Service

We are selling poppies and other items to raise money for the British Legion Poppy Appeal. We will be holding our annual Remembrance Service on Monday 12th November at 10.30am. As I am sure you are aware, this year is a very special anniversary as it is 100 years since the end of the First World War.

Our choir will be performing and there will be a minute's silence at 11.00. You are all welcome to join us.

Welcome back everyone. I hope you had a good half term. The second half of the Autumn term is usually very busy as we lead up to Christmas and this year we seem busier than ever. We sent dates out to you a few weeks ago but if you are unsure of any events, please look on our web site or contact the lovely ladies in the office. The PTA are busy organising events and as soon as the bonfire is over, they start work on the Christmas Fair. Can you help in any way? They'd love to hear your ideas.

Meet Jazz Crawford - She is a GB athlete and will be spending time at our school over the next few months, delivering workshops, talking about healthy eating and helping coach to train some of our gifted and talented youngsters.

PARKING

Can I please ask that you avoid parking on any of the paths, grass verges or block any of our resident's drive ways.

There should also be no cars left on the corners of the roads blocking the drop down kerbs that are clearly marked with a white line. It is the safety of our children that comes first, but there have been occasions where cars have parked in these areas and have blocked any clear view of oncoming traffic, making it unsafe to cross. We understand that parking around schools will always be an issue, but I'm sure you will agree that addressing these concerns will make it safer for everyone.

At this time of year, we often find that children travel to and from school in cars. Unfortunately they then forget to bring a coat and gloves which are needed for Unfor- playtimes. We have a wide range of Hillstone winter wear available from the office, for example Reflective scarves (safer for these dark winter days), waterproof jackets and woolly hats. The office staff will be happy to serve all polite friendly customers!

Thank you to our wonderful PTA for another brilliant Bonfire Night. Great food, great atmosphere—best fireworks ever!
