Apology

Last week, following our wonderful Shakespearean performance, I was waxing lyrical about our inspiring curriculum and apparently misquoted Mr King. He would like it to be known he has never used the word "Gosh!" in his life.

Parent Governor

Thank you to those parents who have offered to be governors. An election will take place after Easter

Sports and Physical Exercise

As predicted, our cross country team won the overall championship. This has been down to hard work, perseverance and dedication by Coach and the team. We love that attitude!.

Congratulations to our Year 3/4 tennis team who were also overall winners and now go on to represent our area in the summer level 3 competitions.

Two brand new sports for us! We were delighted with the teams when they came 4th in the district Boccia competition and 2nd in the District Kurling.

Thank you to everyone who rode their bike to school for THE BIG PEDAL. 20% of journeys were made on bikes or scooters. 2K had the most recorded journeys with 26% over the two weeks. They will win extra playtime after Easter.

For more information read coach's sports blog at

<http://www.hillstone.org.uk/themes/sports/>

Congratulations to Jasmine Holdsworth who won first Prize at the Science Fair at Birmingham University .

We would like to wish Ms Cooper and Mrs Gillett all the best as they go off on maternity leave.

A sad farewell to Ms McDonald who is leaving us. After nine years.

Easter Activities

Lovely Easter activities this week. Thank you to the PTA for organising the Easter raffle and to all of you and your lovely children for the magnificent Easter Bonnets and decorated eggs. Thank you to all the staff for organising such fun events. I hope all children and parents have a wonderful Easter holiday and well earned rest. **School starts again on Monday 24th April.**

The Big Spring Clean

If you are throwing any of the following items away, Early Years would appreciate them in order to develop the outdoors further.

Old kettles, microwave, pots, pans, wooden boxes, (large) plant pots (large), tarpaulin, trellis, wood bark/chips, toy cars, plumbing tubes, plastic pipes, screwdrivers, nuts, bolts, bungees.
