Sport

Congratulations to all our fantastic sports team this week. We have won first place in two different Level 2 athletic competitions. Our two hockey teams finished in 2nd and 3rd place.

8	3A	5	0	0	5	17	5

We have had a thank you card from the British Legion. Our school raised £393 for the Poppy Appeal

Dining@Hillstone

Congratulations to chef who got through to the regional finals of the school chef of the year competition and got second place. He also received a "highly commended" for his main course. It's the last "Cooking with Hillstone box" before Christmas. This should be ordered by Friday for collection on Monday. There is a new menu this week : Moroccan chicken, stir fry, moussaka, slow cooked beef, chicken korma with rice.

Xmas Cards

It is vital if you are using the Christmas Post box in the foyer, that you put first and last name and child's class on the front of the envelope.

Christmas Donations

I was overwhelmed with all your donations for the Christmas Fair and for Crisis at Christmas. What a generous bunch you are. The Christmas Fair will be happening this Friday afternoon. The PTA are desperate for help either on the day or before hand, pricing goods, wrapping items etc. If you can spare some time—please let the office know. We will still be collected for Crisis at Christmas right up to the 16th December.

PARKING

I know that this is the third week of mentioning the parking but it is not improving and is not only thought less and inconsiderate but dangerous. I have had yet another occupant of one of our neighbours frustrated by not being able to get in or out of their drive because someone has parked in front of it. This problem always gets worse in the cold weather when people are driving rather than walking just short distances. Cars are parking on the grass verges, churning up the mud. This is unsightly for local inhabitants but extremely dangerous for our children. I have contacted the police and asked them to keep an eye on the situation but they obviously will not be able to be here every night and I'd have thought that everyone in the Hillstone community would be concerned for the safety of all our children. Please leave the car at home if possible or park a little farther away if you do need to drive.
