Attendance

Congratulations to class 6I who won the attendance prize for the last half term. The attendance for the school as a whole for last half term stands at 96.6%.

This is an important term for children, they all have tests and exams of some sort. It is vital that they do not miss any learning days. Please try to ensure they you children maintain good attendance. Please talk to Lillian Hepburn or myself if you are having difficulties.

We still have places left on

Food and Hygiene Level 1 Course

Tuesday 13th June 2017

See Lillian or Chef if you would like to take this course and gain a qualification.

Kindergarten

We still have a few places left in Kindergarten for September. As soon as your child is 2 they can start. If you are entitled to funding this is given the term after they have turned 2 years old.

Surveys

The only way we can be effective is to work in partnership with parents. Your views are important to us. Chef has just launched a survey regarding school meals and Mr Carter, our IT strategy manager has launched a survey around the issue of e-safety. You will find both of these on the web site

Sports Day

We will have sports day next week on Thursday 15th June. I do hope you will be able to come and join us. Your children need a Hillstone PE kit in correct colours and a water bottle. Refreshments will be available for visitors. If you want to cheer on a specific house you may also want to wear appropriate colours.

Red= Tamworth

Blue = Dudley

Green = Warwick

Yellow—Ludlow

In order to keep your children safe, we do ask that all parents and guests remain behind the barrier.

Well done to

6N and RS who have won the punctuality league

Farmers' Market

I hope you are staying for farmers market tonight. Children and staff have worked so hard at preparing for it. I think it is unique to schools and I am hoping you will help make it a success. Children have been growing and making things, Lynne will be selling sunflowers she has grown on schools grounds. Chef has invited our organic suppliers along for you to meet them and purchase produce. Mr Farr and the choir will be performing. It starts at 3.00pm and Farmer John is bringing some goats. The scarecrow competition. Will be judged at 4pm. These will go in the allotment afterwards.
