

Hillstone Primary School

Head Teacher Mr J. King

Deputy Head Mrs V. Chudleigh

Dear Parents,

We are conscious of the fact that making the transition into a new class can be very difficult for pupils and even for their parents - they have to get used to new teachers, new systems, new rules and new ways of working. To help ease the worry of this transition, this year's parents' evening will be on Wednesday 3rd July.

Following the timetable below, teachers will give a presentation in the hall giving you information about what your child will be learning next year and how you can help support them. There will also be an exhibition of the work that has taken place this year.

When you are not in the hall presentation you will be able to visit the classes, talk to your child's current teacher, look at work, talk about the report – and I know many parents like to say “thank you” to the teachers for their work over the last year.

You can also visit their new class teacher and have a chance to meet them and raise any questions you may have about the forthcoming year. Year 6 prefects will be on hand to help guide you to the classrooms.

Please see the table to the left of this text, which highlights the time of your meeting.

Your child has been to their new classroom this afternoon and spent some time with their new teacher. Please ask them about it. See you on Wednesday.

Sincerely,

Mr J. King
