Dear Parents/Carers,

We have some devastatingly sad news to share with our Hillstone family.

You may be aware of an incident at Babbs Mill Park which was widely reported on Sunday 11th December. I have been informed that children from Hillstone School were involved in this incident and that sadly we have lost a member of our Hillstone family.

As a school and community, we would like to express our sympathy at this terrible news and the unimaginable pain the family must be suffering. We are in contact with those involved and have expressed our immense sadness, offering support as will be required. Understandably, those involved are still coming to terms with what has happened, and we ask that their privacy is respected at this terribly difficult time.

Mrs Chudleigh and I are talking to the children from year 2 to year 6 about this tragic event.

If you have concerns about how your child is coping with this news, you can contact Mrs Gibbon or Mrs Chudleigh in the first instance. Services from Solihull and Birmingham will be providing support for our community.

Thank you, we appreciate your help and understanding at this very difficult time.

Yours sincerely

Mr J King
