By 2024, The FA's and Barclays ambition is for girls to have the same football opportunities as boys in schools and clubs. **#LetGirlsPlay** is a campaign to influence and change perceptions, showing that football can and should be played by girls.

On **Wed 9th March 2022**, Hillstone will join schools around the country in the **Biggest Ever Football Session**, providing a host of opportunities for as many girls as possible to play football.

Hillstone are taking this one step further by encouraging **ALL children (not just girls)** to come into school wearing a football kit or any sportswear, ready for a day of football related activities including, setting up dedicated football areas on the playground and getting involved in a girls football festival.
