## Goodbye and Thank You

My last day today and I'm desperately sad to be leaving what has been the most challenging, exciting, rewarding period of my life. For the past twenty one years I have worked alongside my staff, the pupils and parents to create the 'Hillstone Experience' of which I am immensely proud. I want to thank the staff who have given so much of their time to provide those opportunities of which we all believe and to all of you for lending us your brilliant children and trusting us to teach, guide and inspire them, in partnership with you. I have loved watching them grow and develop and it gives me such a thrill when they come back and visit to tell me what they are up to. I know I have left Hillstone in excellent hands and wish all the best for you in the future.

**School will re-open Wednesday 7th September**

**We wish all the best to our year 6 children. I've known most of them for many years and what wonderful young men and women they have become. We are very proud to have had them at Hillstone School and wish all the best for their future lives.**
