## School Hot Weather Arrangements

As you all may know the weather next week is expected to be very hot. As a school we will be taking every possible precaution to ensure a comfortable and safe learning environment, including not using the kitchen ovens at lunchtime and offering a summer style buffet lunch, finding places and ways to conduct lessons whilst keeping cool.

Gazebo's will be in place in the playground for outdoor learning and to provide shade during break and lunchtimes.

Children should come to school in lightweight uniform, remember their caps/hats, apply suncream prior to school and send some in with the children.

## Year 6 Leavers Performance – The Kingdom

We look forward to families joining us for the Year 6 leavers performance which the children and staff have worked so hard on, the singing and costumes are magnificent!

Please note that this years performance will be a maximum duration of one hour.

We are aware the hall can become quite hot with so many people in attendance and would like to reassure you that we will :

- Cool the hall down prior and during the performance with air conditioning units and fans
- Ice lollies will be on sale
- Chilled water bottles will also be on sale

We will of course continue to monitor and adapt to the situation as required.

Kind regards

**Ms G Sparrow**
