Head Teacher Mr J. King

Deputy Head Mrs V. Chudleigh

12th September 2024

Dear Parents and Carers,

As I'm sure you will understand we have had to take the hard decision to increase the prices on all the services that we have to offer as a school.

I understand there has been some confusion about the prices and when they will commence, please accept my apologies for this.

As a good will gesture I will honour the prices from last term until the end of September 2024. This means if you have paid for any of the services listed below between 4th September to the 30th September 2024 and you have paid the increased price, this will be charged at the old price and the difference will stay on the account as a credit.

From the 1st October 2024 the following price increase will take effect:

Early Breakfast Club: £ 4.50 per day

Breakfast Club: 50p per day

After School Club: £9.50 per day

School Dinners: £2.70 per day

Nursery Dinners: £2.25 per day

Snack for Junior children: 30p per day

Nursery Top Up Fee (using 15 hours for 3 year olds and topping up to full time): £70 per week

Nursery full time place (no access to 3 year old funding or 30 hour funding): £140 per week

Kind regards

Mr J King
