

Hillstone Primary School

Hillstone Road, Shard End, Birmingham, B34 7PY

Poster Competition

11-20 March
British
Science
Week
2022

As part of Science Week, the children will be taking part in a poster competition focused on the theme of **'Growth'**.

The posters could explore anything related to the theme, for example: the lifecycle of a favourite animal, growing food on the Moon, how humans change as they grow or the fastest growing plants.

Prizes will be awarded to the best poster in Early Years, KS1 and KS2. Judges will look for creativity, informative content and great presentation. Winners will also be entered into a national competition in which lots more exciting prizes are up for grabs. Please encourage your child to get involved!

Deadline: Friday 8th April
