Head Teacher: Mr J. King

2022/2023 Snack Provision

Due to rising wholesale costs and our reluctance to pass on big cost increases to parents, our snack provision will be changing for the year ahead.

Effective from the start of the new term please note:

- Early years and infants will continue to receive one free piece of fruit each day
- Early years will also receive a drink of milk each day
- Juniors can purchase a piece of fruit for **25p per day (£1.25 weekly)**
- Juice boxes will no longer be available hence the price reduction reflected above. Children will have access to water throughout the entire day
- Beginning later this week, we will be offering bagels to every child first thing in the morning.

At a time when the financial burden on households has increased significantly we will continue to keep the school provision as affordable as possible, as such we will monitor and review our provision on a regular basis.

If you have any questions please speak with your child's class teacher or school office.

Kind regards

Mr King
