Head Teacher: Mr J King

Dear Parents,

We are conscious of the fact that making the transition into a new class can be very difficult for pupils and even for their parents - they have to get used to new teachers, new systems, new rules and new ways of working. To help ease the worry of this transition, this year's parent's evening will be on Wednesday 5th July.

Following the timetable below, teachers will give a presentation in the hall giving you information about what your child will be learning next year and how you can help support them. There will also be an exhibition of the work that has taken place this year. The PTA will be serving refreshments during the evening.

When you are not in the hall presentation you will be able to visit the classes, talk to your child's current teacher, look at work, talk about the report – and I know many parents like to say “thank you” to the teachers for their work over the last year. You can also visit their new class teacher and have a chance to meet them and raise any questions you may have about the forthcoming year. Year 6 prefects will be on hand to help guide you to the classrooms.
