

Dear Parents,

Please be aware that from Friday 18th November 2022, your child in class 6R will be going swimming every Friday until 27th January 2023.

Please ensure children arrive at school every Friday with a suitable swimming kit.

Please make sure that boys have suitable swimming trunks to wear and not football shorts.

Girls must have their hair tied up or wear a swimming cap and children are not allowed to wear any jewellery.

If your child already has swimming badges, can you please bring them in to show the teacher.

Please note that all appropriate checks and risk assessments have been carried out to enable this to go ahead and we will be following strict advice and guidance as set out by the government, for the duration of the course.

Thank you.
