Yr 6 Leavers Performance

With the extreme hot weather forecast for the next two days, we are continuing to monitor the situation and will make alternative arrangements as required.

With this in mind, we are hoping that the leavers performance will go ahead tonight and we are doing everything in our control to facilitate this, including cancelling other events scheduled to take place in the hall, using air conditioning units to cool the hall down in advance and during the performance.

We will send out a final confirmation for the performance by 2pm today.

Apologies for the uncertainty and thank you for your understanding in this matter.

Kind regards

Ms G Sparrow
