

Why Do You Love Me So Much?

Nursery

What is special about me? Children will explore this exciting topic to understand the similarities and differences between themselves and others. Nursery will begin to recognise and express their feelings appropriately, whilst developing opportunities to play alongside their peers in their new Nursery environment!

Key Questions	Vocabulary	
• What is special about you? • How can you show someone you care? • Who do you love? • Who is in your family? • What is the same and what is different?	Family	A group of one or more adults and children living together.
	Emotion	A strong feeling linked to mood.
	Friends	A person you have a mutual bond with.
	Similar	Having some qualities that are the same.
