

# Hola!

# Year 3

During this project, you will be learning about Spain. You will be tasting traditional Spanish food, comparing cities and using maps to locate different European countries and Spanish cities.

## Key Facts

**Population:** Over 46 million (2016)

**Capital City:** Madrid

**Language:** Spanish, Catalan, Galician, Basque

**The most common immigrant languages are:** Arabic, Romanian, English, German, French, Italian, Portuguese, Chinese, Bulgarian

**Continent:** Europe

**Currency:** Euro

## Prior Learning

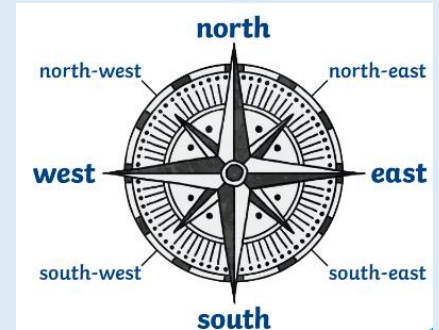

In Year 2, you learnt that there are 7 continents surrounded by 5 oceans. In this topic, we are going to explore the continent Europe, locating 5 countries within it, then focusing on one country in particular... Spain!

## Home Learning

You are also going to be learning to speak Spanish. Have a look at [this website](#) to support your learning.

## Key Vocabulary

Below are some of the important words that we will be coming across during this project.

continent  
country  
city  
climate  
equator  
culture  
beaches  
volcanoes  
mountains
