

Ancient Egypt

During this project, you will be learning about life in ancient Egypt.

History

I know when and where the ancient Egyptian civilisation started.

I know what everyday life was like in ancient Egypt and how this compares to now.

I understand how ancient Egyptian culture has had an impact on modern day civilisations.

I understand the levels of the hierarchy in ancient Egypt and can compare this to modern day society.

I know the role and importance of a Pharaoh in ancient Egypt.

I can explain what the artefacts discovered in Tutankhamun's Tomb tell us about ancient Egyptian life.

I know how important Gods and Goddesses were to the ancient Egyptians.

I know how the ancient Egyptian civilisation came to an end.

DT

I can investigate and compare existing flat bread and dip recipes.

I can plan my recipe using sketches and diagrams to explain my ideas.

I can appropriately choose and use a wide range equipment and ingredients when making my flat bread.

I understand the need to use healthy ingredients to help promote a balanced diet.

I understand where the different ingredients come from and how they are produced.

I can effectively evaluate my work identifying what worked well and any improvements.

Spanish

I can say my name in Spanish and ask someone theirs.

I can recite and use the numbers 11-20 in Spanish.

I can ask and answer the question, 'How old are you?' in Spanish.

I can ask and answer the question, 'Where do you live?' in Spanish.

I can say what nationality I am in Spanish.

RE

I know what Eid Ul Adha is.

I can explain the importance of Eid Ul Adha.

I know and can explain what the 5 pillars of Islam are.

I know how Muslims celebrate Eid Ul Adha.

Hillstone Life Skills

I know that failure is an important part of learning and defining success.

I know strategies that will help me to persevere and learn when I have made a mistake.

I am able to discuss and compare if we are born to be good at something.

Computing

To can create a program in a text-based language.

I can explain what 'repeat' means.

I can design, create and develop a program that uses count-controlled loops.
