

# Proud to be a Brummie

In this project, the children will learn about their local area and build on their understanding of settlement and societal change. They will use a variety of sources relating to significant past events in Birmingham and begin to understand their reliability. As they look further into Birmingham as an original Saxon village, they will compare it to the modern day and consider the developments that took place and why. They will also explore the influence and impact Birmingham had on the Industrial Revolution, both locally and nationally.

## History

I know how Birmingham has developed from a Saxon village.

I can use reliable sources to discuss significant historical events in Birmingham.

I can place the Industrial Revolution on a timeline of national history and add developments to transport and travel.

I can discuss the impact and influence Birmingham had on the Industrial Revolution locally and nationally.

I can summarise why and how the housing structure has changed in Birmingham.

I can describe how technological developments in Birmingham changed the way people travel.

## Computing

I can describe the internet as a network of networks.

I can describe networked devices and how they connect.

I can explain that the internet is used to provide many services.

I can describe how to access websites on the WWW .

I can explain that websites and their content are created by people.

I can explain that there are rules to protect content .

I can explain that not everything on the World Wide Web is true.

I can explain why I need to think carefully before I share or reshare content.

# Spanish

I have learnt the vocabulary for 6 classroom objects.

I have learnt the vocabulary for the next 5 classroom objects.

I can understand and use basic classroom commands.

I can use 'tengo' and 'no tengo' accurately.
