

Birmingham and Beyond

In this project, we will expand our locational knowledge and explore different cities in the UK, the land use in Birmingham and how this has changed over time. We will also compare Birmingham to an Eastern European country. We will discuss in more depth the impact and influence Birmingham had on the Industrial Revolution locally and nationally. Our trip to the Back to Backs will also be used to inform our understanding of how and why the housing structure changed in Birmingham.

Geography:

I can name and locate at least 5 other cities in the UK.

I can talk about the land use in Birmingham and how this has changed over time.

I can compare Birmingham to another city in the world.

History:

I can discuss the impact and influence Birmingham had on the Industrial Revolution locally and nationally.

I can summarise why and how the housing structure has changed in Birmingham.

Computing:

I can encrypt and decrypt simple messages.

I understand that messages can be sent electronically over distances.

Design Technology:

I can investigate existing purses, wallets and bags and compare them.

I can plan and use a pattern to cut out the shape of my design.

I can join two pieces of fabric together securely and add a fastening.

I can choose and use tools and equipment to help me cut and join and sew materials accurately.

I can choose materials because of their function or appearance.

I can discuss what worked well and how I could improve next time.

Spanish

I can name you all of the five essential elements that animals and plants need to survive in their habitats.

I can tell you, in Spanish, a couple of different types of habitats and name examples.

I can tell you, in Spanish, which animals and which plants live and grow in one type of habitat.

RE

Who was Jesus?

Why did some people believe Jesus was the Messiah?

What did Jesus do?

Why does Jesus have so many names?

How did Jesus inspire people?

What happened when Jesus died?

Hillstone Life Skills

I can recognise value for money.

I can explore wants and needs and how money can be budgeted and the importance of tracking savings and spending.

I understand the new opportunities and the responsibilities that increasing independence brings.
