

We Love Shard End

Geography

I know that I live in Birmingham and my school is in Shard End.

I can use the words: shop, house, office, road and park.

I can draw a simple map of my local area and create a simple key.

I can talk about how to get to different places in Shard End using the language left, right, up and down.

History

I understand what a settlement is.

I know what Shard End looks like now and I can compare it to the past.

I understand why Shard End was built the way it is.

I can use different research methods to learn about Shard End's past.

Computing

I can label a group of objects.

I can describe objects and group similar objects together.

I can record my findings and share these findings with others.

DT

I can investigate how moving models work.

I can create a plan for a moving model playground.

I can use levers, axles or springs to make my model move.

I can say what I like and dislike about my moving model.

RE

Who owns the world?	
Who can care for the world?	
Why do some people believe we should care for the world?	
What do some Muslim people believe about caring for the world?	
What other reasons are there for caring for the world?	
Why should we care for the world?	

Hillstone Life Skills

I know what money is.	
I know ways to keep money safe.	
I understand what a bank is.	
I can discuss my ideas about saving and spending.	
I can talk about jobs both in and out of school.
